

ABOUT US

Established in the year of 2017, THE GREEN YARD is travelling successfully in its visionary path of letting GREENERY be a part of your Home and Work-space. We are extremely innovative in designing your Green space and we are reliable for maintenance too. We provide complete Green solution like Indoor Plantscaping, Plant Rentals, Plant Gifting and Balcony Garden Setup which makes us to be your Green Partner from Planting to Maintenance.

We strongly believe that Nature should be a part of your Living & Work space which gives fresh air to spread us with positive thoughts and to assure increased productivity. Interested in our Green Space? Connect with us today!

OUR GOAL

MISSION

In urban culture, plants have transformed our homes and work spaces. Having plants is not only beneficial but it also adds up to the aesthetic value. We help you build a green space by providing all gardening essentials and services.

THE GREEN YARD is an initiative to encourage gardening to build a greener society, something our next generation shouldn't be deprived off.

VISION

INTERIOR PLANTSCAPING

PLANT RENTAL

PLANT GIFTING

BALCONY GARDEN SETUP

In Indoor Plantscaping, we bring you the perfect blend of Interior architecture with Nature by designing and decorating them with air purifying and classical plants which makes your space more lively and trendy!

PLANTS: Areca Plam | Schefflera | Zamia | Snake Plant | Rubber Plant | Crotons | Money Plant | Anthurium | Peace Lilly | AirPlant

Our Plant Rental Program is a quick green setup where it comes with **Designing, Implementation and Maintenance** of your favorite air purifying plants at your living or work space. We rent plants for varied environments like home, office and events like Marriage, Conferences, Parties and lot more.

PLANTS: Areca Plam | Schefflera | Zamia | Snake Plant | Rubber Plant | Crotons | Money Plant | Anthurium | Peace Lilly

Now cherish your friends and family by gifting them plants of unique varieties with customized containers. We have our handpicked and unique range of plant varieties for different occasions like wedding, birthday parties, corporate occasions and more.

PLANTS: Terrarium | Plants in Ceramic Pots | Plants in Terracotta Pots | Plants in glass Pots | Plants in Terracotta Pots

Being in the urban space, your family would be floors away from a Green ground and thus we in 'Green Yard' help you create a **Beautiful and luscious Garden setup** in your Balcony space with experts based on your balcony space.
